

## **I.P.M.S. Roscoe Turner Chapter August 2021 Newsletter**

August 20, 2021 Meeting

### **Introduction:**

Dana Griffith, Minister of Letters brought the meeting to order with 4 members present and 2 guests.

Welcome,

Doug Oliver works in the plastics industry and got into scale modeling.

Mark Spalding, got back into scale modeling after his children left home. He works as a meat cutter for a local Casino.

### **Old Business:**

There are a few contests in the region this summer and early fall.

Several members attended Wonder Fest

Several members are going to the National Contest in Las Vegas.

### **New Business:**

It's the dog days of Summer and the meeting was short, business wise.

There are a number of contests posted for the fall so get ready. They may be impacted by whichever new variant of COVID-19 is announced by the CDC and hits the airwaves. So be ready for most anything. (I'll leave it at that)

This years membership dues are still owed if you have not yet paid.

We are gradually gaining new members.

Suggestions for invigorating the meetings are always welcome.

## Show and Tell:

Mark Spalding brought in a 1/24 scale Airfix F6 Hellcat. It is based on a photo of the plane his Father flew on the USS Randolph in WW2. The cockpit and engine bay is plumbed and wired. The kit has extensive aftermarket parts. It is painted with dark sea blue Tamiya paint. The life raft was scratchbuilt.

## Wrap up:

The next Chapter meeting with Show and Tell will be at the Fort Harrison VFW on August 17, 2021, starting at 7:00 PM. We'll see you then!

## Future Contests and Events:
